

--Letters Opposing the Human Genome Project--

Letters Opposing the Human Genome Project
(by institution)

<u>Institution</u>	<u>Department</u>	<u>Name</u>
University of Utah School of Medicine	Dept. of Biochemistry Div. of Human Development Dept. of Radiology Dept. of Anatomy	
Tulane University Medical Center	Dept. of Biochemistry	
Univ. of North Texas	Dept. of Biochemistry	
Medical College of Wisconsin	Dept. of Biochemistry	
Kirksville College of Osteopathic Medicine	Dept. of Biochemistry	
SUNY Buffalo	Dept. of Biol. Sciences	
Univ. of Virginia School of Medicine	Dept. of Biochemistry	
Purdue University	Dept. of Biol. Sciences Dept. of Chemistry	
Univ. of Michigan Medical School	Dept. of Pharmacology	
Univ. of Kentucky College of Medicine	Dept. of Biochemistry	
Harvard Medical School	Dept. of Anatomy and Cellular Biology	

--Letters Opposing the Human Genome Project--

Medical College of Ohio	Dept. of Medicine and Pathology
Univ. of California Berkeley	Dept. of Molecular and Cellular Biology
Univ. of California Riverside	Div. of Biomedical Sciences
Oregon State Univ.	Dept. of Biochemistry and and Biophysics Zoology
Univ. of Connecticut	Genetics and Biochemistry
Darthmouth Medical School	Biochemistry
Univ. of Colorado Health Sciences Center	Biochemistry, Biophysics
Johns Hopkins Univ.	Biology
Univ. of Minnesota	Dean, Medical School Dept. of Therapeutic Radiology Dept. of Pediatrics
Univ. of Illinois College of Medicine	Dept. of Biochemistry
Albert Einstein College of Medicine	Cell Biology
Michigan State Univ.	Dept. of Biochemistry

--Letters Opposing the Human Genome Project--

Univ. of Minnesota, Duluth	Biochemistry and Molecular Biology
Univ. of Arizona	Radiation Oncology and Biochemistry Dept. of Physiology
Univ. of Wisconsin Medical School	Dept. of Physiological Chemistry
Wake Forest Univ. Bowman Gray School of Medicine	Dept. of Microbiology and Immunology
Oregon Health Sciences University	Dept. of Biochemistry
Univ. of Massachusetts Medical School	Dept. of Molecular Genetics and Microbiology
Univ. of Washington	Dept. of Biochemistry
Rice University	Dept. of Biochemistry and Cell Biology
Louisiana State Univ. Medical Center	Dept. of Biochemistry and Molecular Biology

--Letters Opposing the Human Genome Project--

Univ. of Pittsburgh Dept. of Radiation Oncology

Scripps Clinic and La Jolla, California
 Research Foundation

Anatrace Maumee, Ohio

No Institutional Dallas, Texas
 Affiliation Tucson, Arizona
